Report 2025 – Market Size, Trends, And  
Global Forecast 2025-2034*

LONDON, GREATER LONDON, UNITED  
KINGDOM, June 2, 2025

/EINPresswire.com/ -- So, Why do we  
expect to witness strong growth in the  
confectionery fillings market size in the coming years?

Currently, the confectionery fillings market size is robust and continues to grow stronger. It is forecasted to swell from \$1.22 billion in 2024 to \$1.29 billion in 2025, exhibiting a compound annual growth rate CAGR of 5.9%. This growth in the historic period is largely due to increased consumer demand for sweet snacks, expansion of the confectionery industry, rising disposable income, and seasonal as well as festive demand for filled confections.

Further, the confectionery fillings market size is expected to witness significant growth over the next few years, predicted to reach a staggering \$1.6 billion by 2029 at a compound annual growth rate CAGR of 5.5%. This growth can be attributed to the rising popularity of nut-based fillings, the growing trend of vegan and gluten-free confectionery fillings, increasing demand for clean label

confectionery fillings, and increasing demand for sustainable confectionery.
