## Challenges Intensify for CPA Bookkeeping Services

CPA firms across the U.S., are experiencing mounting difficulties due to rising operational costs, ongoing labor shortages, and increasingly complex compliance requirements. Recent insights indicate:

- 68% of CPA firms report challenges in retaining experienced bookkeeping personnel
- Bookkeeping roles cost firms over \$60,000 annually on average
- 42% face reporting delays stemming from limited staffing

These findings underline the urgent need for outsourced solutions that preserve quality and efficiency while alleviating internal resource strain. Businesses, particularly in smaller firms and startups, are fueling the growth of outsourced bookkeeping for startups, driven by a need for affordability, timely reporting, and regulatory alignment.

## IBN Technologies Delivers customized CPA Bookkeeping solutions
