

Metric5 Wins Prestigious SECAF Government Contractor of the Year Award

RESTON, VA, UNITED STATES, June 3, 2025 /EINPresswire.com/ -- Metric5, a leading provider of technology solutions to the U.S. Federal Government, is thrilled to announce its selection as the winner of the Small and Emerging Contractors Advisory Forum (SECAF) prestigious [Government Contractor of the Year award](#) in the \$27.5 - \$50 million revenue category. The award was presented to the Metric5 team at the 17th Annual SECAF Awards Gala on May 29th, 2025. The SECAF Awards Gala is a hallmark event that brings together leaders from government and industry to celebrate the accomplishments of small and emerging government contractors.

This significant accolade recognizes Metric5 for its outstanding achievements, commitment to innovation, and exceptional contributions to the government contracting sector. The Government Contractor of the Year award honors companies that have demonstrated remarkable innovation, strategic vision, and a strong commitment to serving their government clients.

"We are incredibly honored and proud to be named SECAF's Government Contractor of the Year in our category," said Abu Malik, President and CEO of Metric5. "This award is a testament to the hard work, dedication, and expertise of our entire team. Their relentless focus on delivering impactful solutions and exceptional service to our federal customers is what makes

achievements like this possible. We are grateful to SECAF for this recognition and to our clients for their continued trust and partnership."

This award serves as further affirmation of Metric5's unwavering commitment to quality and its dedication to meeting the dynamic requirements of the federal government.
