

AMMWECC Condemns Antisemitic Terror Attack in Boulder, Colorado

WASHINGTON, DC, UNITED STATES, June 2, 2025 /EINPresswire.com/ -- The American Muslim & Multifaith Women's Empowerment Council ([AMMWECC](#)) unequivocally condemns the heinous act of violence that occurred on June 1, 2025, in Boulder, Colorado. Just eleven days after the murder of Yaron Lischinsky and Sarah Milgrim outside the Jewish museum in Washington D.C., this second terror attack targeted a peaceful gathering organized by "Run for Their Lives" to raise awareness for Israeli hostages held in Gaza.

AMMWECC stands in solidarity with the Jewish community and all those affected by this despicable attack.

AMMWECC President [Anila Ali](#) remarked that "This second terror attack on our soil targeting Jews must be met with swift justice. I call on the administration to do more to hold accountable those organizations and individuals perpetuating radical ideologies."

As an organization committed to fostering interfaith dialogue and understanding, AMMWECC calls upon all communities to unite against hatred and to promote peace, compassion, and mutual respect. We urge law enforcement agencies to conduct a thorough investigation and ensure that justice is served.

Our thoughts and prayers are with the victims, their families, and the entire Boulder community during this difficult time.
