

Richard Morris Releases a Witty, Mind-Bending Urban Fantasy with Silent Disco

LEEDS, WEST YORKSHIRE, UNITED KINGDOM, June 2, 2025 /EINPresswire.com/ -- Woodbridge is pleased to announce the launch of Richard Morris's book ["Silent Disco"](#). Prepare for an unforgettable journey into a world where satire, fantasy, and biting social commentary collide. This book is the first part of a thrilling trilogy that blends urban fantasy with dark humor, offering a wildly original take on humanity's self-destructive tendencies and the absurdity of modern existence.

Set in a world teetering on the edge of environmental and technological collapse, Silent Disco follows an unlikely hero, "Big T," a man who is as useful as "a sunbed in a blizzard." As society spirals into chaos post-lockdown, a cast of eccentric characters including a rogue biohacker, an AI with a god complex, and a scientist who takes energy drinks to a dangerous new level becomes entangled in a crisis that could alter the fate of humankind forever.

Blending razor-sharp wit with mind-expanding storytelling, Silent Disco is an adult fairy tale for the modern age. With its lighthearted yet thought-provoking tone, Silent Disco is set to resonate with fans of dystopian fiction and speculative fantasy. A must-read for those who love their fiction packed with wit, wisdom, and a touch of the surreal.
