

Beat the Heat and Boost Efficiency: Ninja Plumbing, Heating & Air Unveils Summer AC Tune up Specials

Local HVAC Experts Offer Affordable AC Tune ups and Energy Efficiency Assessments Ahead of Federal Rebate Launch

EAGLE MOUNTAIN, UT, UNITED STATES, June 3, 2025 /EINPresswire.com/ -- Ninja Plumbing, Heating & Air, a trusted provider of plumbing, heating and air conditioning service in Eagle Mountain, UT, is proud to introduce its Summer [AC Tune up Specials](#). This comprehensive package is designed to ensure that local homeowners' AC systems are optimized for the upcoming summer season while also preparing them to take advantage of forthcoming federal energy rebates.

The Summer AC Tune up special includes a thorough AC system inspection and tune up, available for just \$69 to first-time clients. This service aims to enhance the efficiency and reliability of heating and cooling systems during the peak summer months. Additionally, customers can opt for an energy efficiency assessment to identify potential upgrades, such as energy-efficient HVAC systems or smart thermostats, which can lead to substantial savings on utility bills.
