

Officially Licensed 'SUZUKI JIMNY' Chrome-Plated Keychain Now Available for Pre-Order – Limited to 3,000 Units

HAKUSAN, ISHIKAWA PREF, JAPAN, June 4, 2025 /EINPresswire.com/ -- The ever-popular SUZUKI JIMNY has been transformed into a beautifully detailed 3D keychain, now available for pre-order in a limited edition of 3,000 units starting May 8, 2025.

Expertly crafted with a sense of luxury, this keychain comes complete with a shining logo plate and features a solid, high-quality finish.

Despite its playful design, the [SUZUKI JIMNY Keychain](#) boasts a refined and premium appearance that can be enjoyed by Jimny fans of all ages.

The engraved "JIMNY" logo plate sparkles with a stylish presence, while the included gift box makes it an excellent choice for special occasions.

This is a one-of-a-kind keychain that lets you carry with you the charm of the iconic Japanese off-road vehicle loved worldwide.

□ A Compact Yet Powerful Symbol of "JIMNY Love"

Crafted in a realistic palm-sized scale, this 3D die-cast keychain exudes strength and presence.

With a bold sense of weight and detail, it replicates the Jimny's distinctive silhouette down to the smallest elements, resembling a miniature die-cast car with impressive realism.

□ Playful Elements That Add Personality

Attached to the main body are:

A miniature shovel-shaped charm

A JIMNY logo plate

These elements add fun and movement to the keychain.

When used, the metal parts lightly jingle against each other, creating a pleasant sound reminiscent of a “bear bell” — a unique and attention-grabbing feature.

□ Ideal for Gifts and Collectors

Packaged in a custom gift box, this item is perfect not only for Jimny enthusiasts, but also as a thoughtful gift for car lovers, outdoor adventurers, and anyone with a love for distinctive design.

Each piece includes a serial number engraved on the back of the plate, marking its place in the limited run of 3,000 units.
