A Legacy of Quality and Customer Commitment

As a family-owned and operated business, Classic Marcite is built on a foundation of integrity, quality workmanship, and exceptional customer service. Each project is approached with a tailored strategy to meet the unique needs of the client, ensuring results that are not only functional but visually appealing and built to last.

“We are honored to have earned the trust of tens of thousands of clients across Florida over the last three decades,” said a spokesperson for Classic Marcite. “Our commitment to delivering reliable, high-quality pool resurfacing and remodeling solutions is stronger than ever. From backyard pools to large commercial properties, our team ensures each project is completed with precision and care.”

Comprehensive Pool Renovation Services

Classic Marcite offers a wide range of pool services that improve both the appearance and structural integrity of swimming pools. These services include:

Pool Resurfacing: Using industry-leading materials such as Pebble Tec®, Pebble Sheen®, and Diamond Brite®, Classic Marcite restores aging pool surfaces with long-lasting finishes designed to resist staining, etching, and fading. This process enhances both durability and visual appeal, offering a fresh, like-new finish to older pools.

Pool Remodeling: The company provides full-service pool remodeling that includes tile and coping replacement, deck resurfacing, water feature installations, and aesthetic redesigns to modernize outdoor spaces and increase property value.

Pool Repairs: From structural crack repairs and leak detection to plumbing upgrades and equipment replacement, Classic Marcite offers practical solutions to restore and maintain pool performance and safety.

Whether a project involves minor cosmetic upgrades or complete pool transformations, Classic Marcite’s skilled technicians and project managers ensure each job is completed on time, within budget, and to the highest standards.

Serving Florida's Residential and Commercial Markets

With more than three decades of industry experience, Classic Marcite has worked on a diverse array of pool projects across Florida. The company’s clients range from private homeowners and real estate developers to schools, hotels, and recreational centers. The dual-office structure in Orlando and Jacksonville enables Classic Marcite to provide timely service across a broad geographic footprint.

Customers can explore an extensive online gallery of recent projects on the company's website, which showcases real-world examples of completed residential and commercial pool renovations. The gallery reflects the company's versatility in working with pools of all shapes, sizes, and complexities.
