

DB Investing Appoints Ioan Mihalachi as Chief Business Development Officer: A Strategic Move Toward Global Expansion

DUBAI, UNITED ARAB EMIRATES, June 3, 2025 /EINPresswire.com/ -- [DB Investing](https://www.dbinvesting.com/), a leading financial services firm specializing in forex, contracts for differences (CFDs), and a wide range of other investment solutions, is pleased to announce the appointment of Ioan Mihalachi as its new Chief Business Development Officer. This appointment comes at a pivotal moment as DB Investing continues to enhance its position and broaden its global reach across financial markets.

A Proven Leader with Extensive Global Expertise

With over 15 years of experience in senior leadership roles across a diverse range of business disciplines, Ioan Mihalachi brings a wealth of expertise to DB Investing. Prior to joining the firm, Ioan served as COO of CPT Markets and CEO of Multibank's Cyprus unit, where he was instrumental in securing a financial license for the company in Cyprus. His distinguished career spans business development, strategic partnerships, and operational leadership, positioning him as a key driver in DB Investing's ambitious global expansion strategy.

In his new role, Ioan will oversee the company's global strategy, cultivate high-value partnerships, and explore new business opportunities across multiple international markets. His extensive background in both business development and executive management uniquely qualifies him to lead DB Investing toward further success.

About Ioan Mihalachi

Throughout his career, Ioan Mihalachi has successfully led strategic initiatives, particularly in the financial services and payments sectors. He has a proven track record of scaling operations, developing profitable business models, and driving market expansion. His comprehensive

expertise in both operational management and business development will provide a solid foundation as DB Investing embarks on its next phase of growth, with a strong focus on global markets.

About DB Investing

DB Investing, a subsidiary of DB Group Holding, is a premier financial services provider headquartered in Dubai, UAE. The firm offers a broad spectrum of investment solutions, including forex, CFDs, cryptocurrencies, and real stocks, catering to both retail and institutional clients globally. DB Investing is committed to delivering innovative financial products and services while adhering to its core principles of transparency, sustainability, and growth.

Ioan's appointment as Chief Business Development Officer marks a significant milestone in DB Investing's continued efforts to achieve its strategic growth objectives.

We are excited to welcome him to the leadership team and look forward to the value his expertise will bring as the company continues to expand internationally.

What This Means for the Future

The appointment of Ioan Mihalachi signals a bold strategic shift for DB Investing. With his global leadership at the forefront, the firm is set to:

- 1- Expand its regulatory footprint
- 2- Strengthen international partnerships
- 3- Deliver next-generation trading solutions to investors worldwide.

This leadership move reflects DB Investing's continued dedication to evolving as a future-ready fintech player in an increasingly competitive landscape.
