

Co-Author Chris Nassivera Redefines Leadership in New Book Leadership Unscripted

Discover the real, raw, and remarkable journeys of bold women who transformed setbacks into powerful lessons and redefined leadership from the inside out.

GENEVA, SWITZERLAND, June 9, 2025 /EINPresswire.com/ -- In her transformative chapter, *Becoming Is the Path: Leading Without a Perfect Plan*, [Chris Nassivera](#) offers a deeply human and compelling perspective on what it truly means to lead with

courage, presence, and authenticity. Featured in the newly released anthology [Leadership Unscripted: Real, Raw, and Remarkable Journeys of Women Who Lead Boldly](#), Chris invites readers into her personal and professional evolution—from a mechanical engineer to a Fortune 500 global leader, and now, an international executive coach and leadership consultant.

“

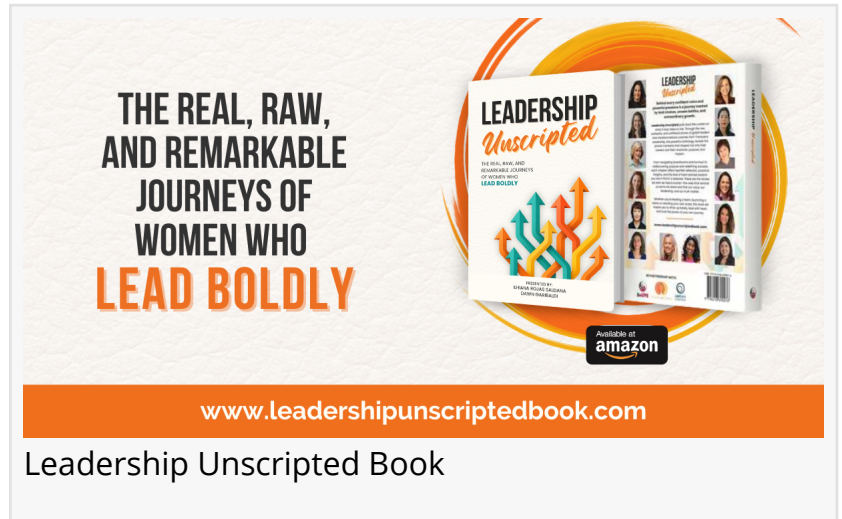

Leadership isn't about having it all figured out - it's about moving forward with courage, curiosity, and trust in yourself, knowing that clarity comes through both action and reflection.”

Chris Nassivera

Based in Switzerland and working with clients around the world, Chris blends systems thinking, organizational change, and a deeply personal understanding of transformation to support leaders navigating growth, uncertainty, and reinvention. Her work is grounded in reflection and action—guiding leaders to step into their next chapter even before they feel fully ready.

“Clarity doesn't come before action,” says Chris. “It comes through it. One step at a time. That's where the transformation happens.”

In her chapter, Chris shares what it was like to walk away from a prestigious 22-year corporate career at Procter & Gamble, wrestle with identity, and create a new life that integrates purpose,

curiosity, and meaningful leadership. She also lifts the curtain on the “quiet questions” leaders often carry—the ones that can’t be solved with strategy alone.

Today, through [Nassivera Coaching & Consulting](#), her work with Novus Actus, and her women’s leadership retreat Alpine Azure in the Swiss Alps, Chris helps individuals and teams reconnect with their values, lead with trust, and create change that lasts.

Her story in Leadership Unscripted is both guide and permission slip—for anyone who feels stuck, uncertain, or ready to lead from a more grounded, human place.
