RI, UNITED STATES, June 3, 2025

/EINPresswire.com/ -- In her powerful and deeply personal introduction to [Leadership Unscripted: Real, Raw, and Remarkable Journeys of Women Who Lead Boldly](#), award-winning leadership expert and international keynote speaker [Ilhiana Rojas Saldana](#) sets the tone for a book that dares to redefine success, power, and purpose.

“

You have a choice. At every crossroad, you have the power to choose how you lead, what you stand for, and the legacy you want to leave behind.”

Ilhiana Rojas Saldana

Drawing from her own story of resilience—from defying expectations as a young engineering student to rising through the ranks of Fortune 500 leadership and ultimately rediscovering her voice after corporate burnout—Ilhiana writes with truth, fire, and hope. Her message is both urgent and empowering: “You have a choice. At every crossroad, you have the power to choose how you lead, what you stand for, and the legacy you want to leave behind.”

Ilhiana’s introduction is more than a preface—it’s a call to action. She lays bare the silent struggles many women face in leadership roles, from code-switching and tokenism to burnout and the loss of authenticity. Yet she also illuminates the path forward, offering her BeLIVE Leadership Principles—a guiding framework for leading with authenticity, boldness, connection, and purpose.

Her words uplift and challenge, reminding readers that the most impactful leaders aren't those who follow the script—they're the ones who dare to write their own.

A seasoned executive coach, human potential & cultural strategist, and founder of [BeLIVE Coaching](#) & Consulting and UNITED LATINAS, Ilhiana is also a 2025 Top 100 Latina (Latino Leaders Magazine) and a four-time bestselling anthology publisher. Her work supports inclusive leadership, personal transformation, and the empowerment of underrepresented voices—especially Latina leaders.

Leadership Unscripted is her latest endeavor to amplify truth-telling in leadership—and a powerful invitation to redefine what's possible when we lead on our own terms.
