MiCamp Solutions*

The partnership unites MiCamp's cutting-edge technology platform—featuring integrated ISV tools, real-time analytics, and advanced POS solutions—with Orbis Payment Services' strong national merchant network and proven commitment to service excellence. Together, the two companies will deliver smarter, faster, and more transparent payment solutions for businesses across retail, hospitality, eCommerce, and service-based industries.

“Our partnership with MiCamp Solutions represents more

than a strategic alignment—it's a shared vision for the future of commerce and community,” said Bill Isetta, Founder and CEO of Orbis Payment Services. “Together, we're pushing the boundaries of what payment technology can do, empowering businesses to thrive while also making meaningful contributions to the communities we serve. From donations to volunteering, we are committed to driving positive change both in business and beyond.”

Founded in 2001 and headquartered in Novato, California, Orbis Payment Services has earned a

reputation for personalized support, flexible processing solutions, and seamless integration with platforms like QuickBooks and major POS providers.

MiCamp Solutions, headquartered in Scottsdale, Arizona, brings a portfolio of fintech innovations that support more than 60,000 merchants across the U.S., offering everything from PCI compliance support to embedded financing tools. Its flagship programs, WAVit—a surcharge platform that eliminates processing fees for merchants—and MiPOS—a customizable, enterprise-grade point-of-sale system—are redefining how businesses approach payments, making MiCamp a disruptive force in the fintech space.

“This partnership is about unlocking new opportunities—for our clients, our teams, and the communities we serve,” said [Micah Kinsler](#), President of MiCamp Solutions. “Orbis Payment Services brings a strong foundation of trust, service, and market experience. Together, we’ll help businesses of all sizes access better technology, save money, and grow more sustainably.”

As part of the partnership, MiCamp Solutions and Orbis Payment Services will collaborate on go-to-market strategies, co-branded service offerings, and joint community engagement efforts. The integration of resources and capabilities aims to create a next-generation standard for payments—defined by simplicity, efficiency, and real human support.
