

ProSat Networks Extends Professional Starlink Installation and Wireless Network Solutions in Georgia

ProSat Networks 1-844-799-0258 professional Starlink installation in Georgia. Wireless networks for commercial businesses, residential homes and maritime boats.

MARIETTA, GA, UNITED STATES, May 12, 2026 /EINPresswire.com/ -- ProSat Networks, an IT network support services company specializing in [professional Starlink installation](#), wireless networks and managed IT services, today announced an increase in services to Georgia businesses and homeowners by offering best-in-class Starlink installation coupled with best-in-class wireless networks and managed IT networks throughout the state of Georgia (GA).

The advertisement features a blue background with a large Georgia state flag on the left. In the top left corner, the ProSat Networks logo is displayed in yellow and white. To the right of the logo, the text reads "STARLINK INSTALLATION & WI-FI NETWORK SERVICES IN GEORGIA" in white, with the phone number "1-844-799-0258" in yellow below it. On the right side, there are four circular inset images showing various network installation scenarios: a Starlink dish on a roof, a satellite dish on a tower, a network switch, and a server rack. At the bottom left, there is a globe icon followed by the URL "https://ProSatNetworks.com/". At the bottom right, there is an envelope icon followed by the email address "contact-us@prosatnetworks.com". Below the image, the text "ProSat Networks Starlink and WiFi Installation Georgia" is written in black.

ProSat Networks provides hardwired (cabled) and wireless (Wi-Fi) network solutions designed and supported by certified network engineers, experienced installers and industry veteran professional services managers. Highly experience in delivering Starlink internet with advanced wireless networking devices, security camera systems, low-voltage data cabling and providing technical support with PSN MITS (ProSat Networks' Managed IT Services) for small to mid-sized businesses (SMB), commercial enterprises, residential homes, select mobile vehicles and maritime vessels in Georgia.

Data updated in February 2024 by the Georgia Technology Authority (GTA) identifies 889,351 Broadband Serviceable Locations in the state as either unserved (590,273) or underserved (299,078). This persistent infrastructure deficit creates severe disparities in regional economic growth, healthcare delivery through telehealth and educational equity across vulnerable rural communities.

"Bridging Georgia's digital divide and increasing wireless networking capabilities, ProSat Networks' specialized Starlink deployments and wireless network designs, installations and managed support services offer an immediate, secure and highly scalable solution that completely bypasses slower, costly ground infrastructure projects." Stated a spokesperson from ProSat Networks.

ProSat Networks delivers end-to-end Starlink, IT network infrastructure, [WiFi network installation](#) and Managed IT Support Services to the following areas in Georgia:

☐☐ Metro Atlanta Region

Atlanta, Sandy Springs, Marietta, Roswell, Johns Creek, Alpharetta, Smyrna, Dunwoody, East Point, College Park, Decatur, Chamblee, Norcross, Duluth, Lawrenceville, Suwanee, Buford, Woodstock, Canton, Cumming, Peachtree City, McDonough, and surrounding communities throughout Fulton, DeKalb, Cobb, Gwinnett, Clayton, Douglas, Fayette, Cherokee, Stone Mountain, Forsyth, and Henry Counties.

“

ProSat Networks is consistently delivering Starlink ISP across Georgia coupled with the best WiFi network designs, installations and managed IT support for businesses, homeowners and maritime vessels.”

*ProSat Networks
spokesperson*

☐☐ Central Georgia

Macon, Warner Robins, Milledgeville, Dublin, Perry, Fort Valley, Griffin, Thomaston, and surrounding communities across Bibb, Houston, Baldwin, Laurens, Peach, Crawford, Jones, Twiggs, Wilkinson, Spalding, and Upson Counties.

☐☐ South Georgia

Albany, Valdosta, Thomasville, Tifton, Moultrie, Fitzgerald, Cordele, Americus, and neighboring

The graphic features the ProSat Networks logo at the top left, with a starburst effect behind the text. Below the logo are three diamond-shaped images: a technician in an orange safety vest working on a tower, a Starlink satellite dish on a roof, and a server rack with blue cables. To the right of these images is a list of services. At the bottom of the graphic are contact icons for a phone, email, and website.

PROSAT NETWORKS

PROSAT NETWORKS SERVICES

- Professional Starlink installation
- Managed WiFi Networks
- Wi-Fi-Network Design, Installation & Support
- Wireless Kinetic Mesh Networks
- Data Cabling: Cat5, Cat6, Fiber Optic
- PSN MITS (Managed IT Services)
- C-Level Strategic IT Consulting
- Security Camera Systems
- Unified IT Network Solutions for:
 - Agriculture & Farming
 - Constructions Sites/Construction Trailers
 - Mines: Surface and Subterranean Mining
 - Marinas & Ports (techs with TWIC cards)
 - RV Parks, RV Resorts & Campgrounds
- Guest Internet Systems (GIS)
- Starlink Pooled Data Plans

ProSat Networks Supported Businesses and Industries

PROSAT NETWORKS

ProSat Networks of Georgia

ProSat Networks [Georgia Starlink installation](#) and wireless network solutions may include the following:

- ☐☐ Technical site survey and feasibility assessment
- ☐☐ Data usage analysis and network audits
- ☐☐ Wireless network design (hardwired and wireless solutions) by Certified Network Engineers
- ☐☐ Advanced PtP/PtMP wireless bridges (point-to-point / point-to-multi-point) for multi-building connectivity
- ☐☐ Starlink data plan optimization
- ☐☐ IT network and LEO satellite dish model recommendations
- ☐☐ Installation materials and parts supply
- ☐☐ IT network system integrations
- ☐☐ Equipment procurement and inventory management
- ☐☐ Onsite professional Starlink installation services and setup
- ☐☐ Integration with existing or new IT infrastructure
- ☐☐ Guest Internet Systems for user & data management, monetized guest WiFi solutions
- ☐☐ System testing and performance optimization
- ☐☐ Post-installation documentation
- ☐☐ Managed IT services (MSP) with remote and onsite tech support
- ☐☐ Starlink pooled data plans
- ☐☐ C-Level strategic IT consulting

Professional Starlink Installation Georgia

Industries and operational environments serviced by ProSat Networks

- ☐☐ Agriculture, Farms and Ranch Operations
- ☐☐ Airports, Aviation Facilities and Aircraft Hangars
- ☐☐ Apartment Complexes and Residential Communities
- ☐☐ Construction and Temporary-Mobile Job Sites
- ☐☐ Distribution Centers and Warehouses
- ☐☐ Emergency Response and Public Safety Operations
- ☐☐ Healthcare Facilities and Medical Clinics
- ☐☐ Hotels, Resorts and Hospitality Venues
- ☐☐ Marinas and Maritime Operations
- ☐☐ Media Production and Broadcasting Facilities
- ☐☐ Mines, Surface Mines and Subterranean Mining Sites
- ☐☐ Oil, Gas and Energy Operations including Pumpjacks

- ☐☐ Ports and Shipping Operations
- ☐☐ Retail Stores and Commercial Centers
- ☐☐ Retirement and Senior Living Communities
- ☐☐ Rural Road and Highway Sites
- ☐☐ RV Parks, RV Resorts and Campgrounds
- ☐☐ Sand, Gravel and Cement Sites
- ☐☐ Schools and Universities
- ☐☐ Solar Farms and Solar Panel Sites

ProSat Networks' Certified Network Engineers deliver customized wireless network designs and support for work from home residential, commercial businesses, select RVs and maritime boats. Full-time staff carrying the following Technical Certifications:

- ☐☐ AI and Automation Emerging Technologies with Cisco
- ☐☐ CCIE, Cisco Certified Internetwork Expert
- ☐☐ CCNA & CCNP, Cisco Certified Network Associate and Professional
- ☐☐ KVH TracVision UHD7 Series
- ☐☐ Microsoft O365 Admin
- ☐☐ RCNA, Rajant Certified Network Associate
- ☐☐ UBWA, Ubiquiti UniFi Broadband Wireless Admin
- ☐☐ UBWS, Ubiquiti UniFi Broadband Wireless Specialist
- ☐☐ UEWA, Ubiquiti UniFi Enterprise Wireless Admin
- ☐☐ UFSP, Ubiquiti UniFi Full Stack Professional
- ☐☐ Safety and Field Compliance Credentials
- ☐☐☐☐☐ Aerial Lift Certified Technicians
- ☐☐☐☐☐ MSHA (for mining)
- ☐☐☐☐☐ OSHA 10 & OSHA 30
- ☐☐☐☐☐ TWIC Cardholders (for commercial ports)

Military Veterans Discount:

ProSat Networks proudly employs vets and honors US military active-duty personnel, veterans, and their spouses by offering a \$50 discount on professional installation services nationwide.
