Board President*

A Facility Built for Peak Performance

Designed to mirror the conditions of elite soccer academies, the new facility includes:

- A full-size AstroTurf playing surface optimized for performance and safety
- Specialized zones for speed, agility, and tactical development
- A strength training gym tailored to athlete conditioning and injury prevention
- Climate-controlled, well-lit space for uninterrupted training all year long

“This new facility is a game-changer for our club,” said Jonathan Weber, Wave SC Board

President. "It provides the high-performance space our athletes need to grow, compete, and thrive."

Supporting Every Stage of Player Development

The addition of this indoor facility elevates Wave's ability to deliver best-in-class training programs that focus on:

- Technical and tactical skill building
- Strength and conditioning for endurance and injury resilience
- Team development through structured gameplay and competitive drills
- Preparing players for collegiate, professional, and elite-level opportunities

Wave Soccer Club's investment ensures that both current and future athletes will benefit from a consistent, controlled training environment that accelerates growth and builds confidence.

Open to the Community

Wave Soccer Club welcomes players and families from across the region to experience the benefits of the new Eagan facility. Whether through [competitive teams](#), training camps, clinics, or open play opportunities, the space will serve as a hub for development, community connection, and soccer excellence.
