What Is The Projected Market Size Of The Access Control Market?

“

It will grow to \$26.43 billion in 2029 at a compound annual growth rate (CAGR) of 15.1%.”

*The Business Research
Company*

Boosted by robust developments in mobile access control systems and proactive government investments against increasing cyber-attacks, the access control market size has witnessed substantial growth in recent years. With a market volume of \$13.69 billion in 2024, it is expected to burgeon further to reach \$15.07 billion in 2025, reflecting a compound annual growth rate CAGR of 10.1%.

What Is The Future Outlook For The Access Control Market

Size?

In the coming years, the access control market size is set for impressive holistic growth. It is poised to expand to \$26.43 billion by 2029, indicating a CAGR of 15.1%. This forecasted growth is spurred by elevating smart home trends, rising adoption of access control by the hospitality sector, and the mounting frequency of data security breaches.
