World's #1 Awards Recognising PeopleFirst Organisations

Winners and their rankings were announced at an online ceremony on June 4, 2025

Inspiring Workplaces Group (IW) announced today the Top 10 Inspiring Workplaces winners in Asia – recognising them as truly PeopleFirst organisations.

Unlike other awards which rely on completing a survey, entrants to the Inspiring Workplaces Awards were asked to provide proof of their investment in people by completing the entry form consisting of the six key elements IW believes are fundamental to creating a PeopleFirst culture, and by extension an Inspiring Workplace. They are:

Culture and Purpose

Leadership

Wellbeing

Inclusion

Employee Voice

Employee Experience.

The quality of submissions this year has truly elevated the standard, marking it as the strongest ever witnessed by the independent judging panel. This reflects a significant commitment from business leaders to prioritise their people and reap the well-deserved rewards. Furthermore, it demonstrates the tangible, positive change occurring in workplaces worldwide that we have

seen in entries to the Awards in other regions.

Each of the six key elements were also judged separately for special recognition in each discipline.

The Top 10 winners from organisations of all sizes and industries were decided by an independent expert judging panel.

Matt Manners, Founder, The Inspiring Workplaces Group, commented: "As Inspiring Workplaces marks its 10th anniversary, we're proud to recognise organisations that are setting the gold standard for PeopleFirst cultures. This isn't just a feel-good approach, it's a fundamental business strategy. With AI reshaping the way we work, companies that continue to prioritise profit over people may find themselves facing short-term wins but long-term setbacks. PeopleFirst isn't optional. It's essential."
