

# Albizu University Miami Campus' Doctoral Program in Clinical Psychology Earns Full 10-Year APA Accreditation

*As a gold standard in the field, APA accreditation significantly enhances the career prospects of Albizu University Miami Campus' graduates.*

MIAMI, FL, UNITED STATES, June 4, 2025

/EINPresswire.com/ -- The American Psychological Association (APA)

Commission on Accreditation (CoA) has granted full accreditation for a ten-year term to [Albizu University's](#) Doctor of Psychology (Psy.D.) in Clinical

Psychology program at their [Miami Campus](#). This is the highest level of recognition awarded by the Commission and affirms Albizu University's commitment to academic excellence, clinical competency, and service to our communities. The designation is based on the CoA's professional judgment that the program has demonstrated its adherence to the Standards of Accreditation for Health Service Psychology.

“

This significant milestone is a testament to Albizu's dedication to rigorous training standards, academic excellence, and the development of future leaders in psychology.”

*Dr. Nelson E. Soto, President  
of Albizu University*

In its official notification, the Commission cited the strength of the program's leadership, faculty, curriculum, and resources—thus validating the quality of the Psy.D. program.

Renowned for its strong clinical training and specialized tracks, Albizu's Psy.D. program prepares students to become leaders in the field of mental health. Students receive advanced training in therapy, psychological assessment, and professional consultation. The program

offers five concentration areas: Clinical Neuropsychology, Health Psychology, Forensic Psychology, Addictions Psychology, and Child Psychology.

“I am thrilled to extend my heartfelt congratulations to our Miami Campus's faculty and staff on

Albizu University Miami Campus APA Accreditation

achieving APA accreditation for 10 more years,” said Dr. Nelson E. Soto, President of Albizu University. “This significant milestone is a testament to Albizu’s dedication to rigorous training standards, academic excellence, and the development of future leaders in psychology.”

The accreditation is valid through 2035, reaffirming Albizu University’s place among the nation’s leading institutions in the field of psychology. As a gold standard in the field, APA accreditation significantly enhances the career prospects of Albizu graduates, with many psychology-related positions listing APA-accredited education as a requirement.
