don’t fade — they evolve. With the release of his powerful new single “On A Roll” featuring Long Island’s own RJ Da Realest, PMD continues to make noise in the culture he helped build, while simultaneously introducing the next generation.

The single is a bold and energetic offering, fusing PMD’s razor-sharp lyricism with RJ Da Realest’s raw talent and authentic delivery — a perfect introduction for fans old and new.

“Hip-hop is about growth, legacy, and lifting the next voice,” says PMD. “RJ is the next voice, and this is only the beginning.”

“On A Roll” follows a string of activity that confirms PMD hasn’t let his foot off the gas. Over the past year, he’s been touring and performing internationally, with solo stops in Germany, Switzerland, and Italy, along with two high-powered performances at London’s famed Tones Coffee & Chip Shop. His nonstop schedule has kept him connected to global audiences, proving his legacy has no borders.

His gritty authenticity and lyrical strength have earned him recognition in both underground and mainstream spaces.

Fans will recognize RJ’s voice from his four featured tracks on PMD’s “Business Mentality” album

— a collaboration that helped solidify their creative synergy and laid the groundwork for this new release.

PMD's past year has also included: Sold-out shows alongside hip-hop legends Ice Cube, Doug E. Fresh, Rakim, and MC Lyte
