

Valuable and Rare Premium .MUSIC Domain Names Released and Available for Registration at Auction.MUSIC

.MUSIC Launches Open and Commercial Premium Service Names for Registration without Nexus Requirements

LIMASSOL, CYPRUS, June 5, 2025
/EINPresswire.com/ -- .MUSIC, the

official operator of the .MUSIC top-level

domain (TLD) (e.g. yourname.MUSIC) has announced the launch of a new category of valuable and rare premium .MUSIC domain names that are available for registration, called "Service Names."

.MUSIC Domain Name and verified MusicID

“

We are seeing explosive interest in valuable, rare and premium .MUSIC domain names from commercial entities, including music services, digital platforms, music companies, and music apps.”

*Constantine Roussos, the
Greek-Cypriot Founder and
CEO of .MUSIC.*

.MUSIC Service Names are designed for commercial and business use. They are exempt from the standard .MUSIC Nexus registration requirements, which makes them easier and faster to register. These premium domain names are highly valuable and memorable, offering new exciting branding opportunities for commercial entities looking to secure scarce .MUSIC Service Names, which include sought after music keywords and categories.

WHY SERVICE NAMES?

.MUSIC Service Names provide access to valuable keywords and categories and meet the rising demand from commercial businesses seeking descriptive, service-oriented .MUSIC keyword names that reflect their music-related offerings. Service Name pricing has been structured to protect domain integrity and prevent abuse and speculative hoarding. This ensures that these rare .MUSIC domains are properly used by legitimate commercial interests relating to music.

“We are seeing explosive interest in valuable, rare and premium .MUSIC domain names from

commercial entities, including music services, digital platforms, music companies, and music apps,” said Constantine Roussos, Founder & CEO of .MUSIC. “With Service Names, we are creating a new pathway for music entities to own meaningful, valuable and sought after .MUSIC premium domains that enhance their brand, provide authority, and signal business leadership in those music categories.”
