□ Realistic Design with Functional Appeal

The JAF [Hiace Tissue Case](#) is a meticulously crafted replica of the iconic TOYOTA Hiace vehicle, featuring rotating wheels and detailed front and headlight designs. Designed to accommodate soft-pack tissues (without boxes), it also includes a multi-purpose cup that can serve as a pen holder or small item organizer, adding a playful touch to various settings such as living rooms, kitchens, or entryways.

This product is officially licensed by TOYOTA Motor Corporation and the Japan Automobile Federation (JAF), ensuring authenticity and quality.

□ Exclusive Foldable Mini Container Gift

As part of this campaign, customers who purchase the JAF Hiace Tissue Case through the CAMSHOP.JP official website will receive a foldable mini container.

This original container is compact and easy to assemble, making it a convenient addition to desks or other spaces.

Note: The campaign is limited to purchases made through the official CAMSHOP.JP website.
