In 2024, Tamura Designs received several CLCA awards, including first place in the Small Residential Installation category for the Okamoto Residence and second place in both the Custom Residential Installation and Large Residential Installation categories for the Ferrari and Kusomoto Residences, respectively. These accolades reflect the firm's dedication to creating outdoor spaces that blend functionality with aesthetic appeal.

"Our mission has always been to craft outdoor environments that resonate with our clients' lifestyles and the natural beauty of Morgan Hill," said Parker Tamura, owner of Tamura Designs. "These awards are a testament to our team's hard work and the trust our clients place in us."

Tamura Designs offers a comprehensive suite of services, including:

- Landscaping design and installation
- Outdoor living spaces, such as patios, kitchens, and fire pits
- Stone and masonry work

The firm's approach emphasizes sustainability, integrating eco-friendly practices and materials to ensure that each project is both beautiful and environmentally responsible. Morgan Hill has seen a growing interest in personalized outdoor spaces, with homeowners seeking to enhance their properties' value and livability. Tamura Designs' recent projects reflect this trend, showcasing innovative designs that cater to the unique preferences of each client.
