

Sandra Pagenkemper conquers Her Ascent in International Aviation with her Maintenance Check Flight pilot Certification

One of the most acknowledged female leaders in aviation, her career spans borders while upholding the highest standards in flight, safety, and crew leadership.

LOS ÁNGELES CA, CA, UNITED STATES, June 16, 2025 /EINPresswire.com/ -- Recently Sandra's is expanding her professional career as a First Officer Pilot flying globally in regular basis, as well as her highly trained and upcoming new credentials. [While commanding flights and coordinating logistics and her deep knowledge](#) of air transportation and cargo handling has earned her the trust of the industry.

Sandra also holds credentials as an Aviation Security Trainer, educating flight and ground personnel in international safety procedures, threat recognition, and regulatory compliance. Her constant alignment with evolving protocols from ICAO, EASA, and LBA ensures that her teams remain ahead of global standards.

[Sandra Pagenkemper has spent over 20 years mastering the art of flight](#). She is one of the most accomplished female pilots in Europe, this German-born aviator currently flies with Condor Airlines, where her leadership in both passenger and cargo aviation continues to set a high standard within a male-dominated field.

As a Crew Resource Management (CRM) Trainer, Sandra has led countless flight crews through programs focused on decision-making, situational awareness, and communication under pressure.

Sandra always carried the dream and ambition to conquer the skies—flying across and along the world, a remarkable duty she has fulfilled with excellence for over two decades.

“

“What you are not changing,
you are choosing” reminds
me that growth begins with
accountability.”
