

Oceans Luxury Rehab Launches First-of-its-Kind Couples Recovery Program in Orange County

Oceans Luxury Rehab unveils Luxury Couples Rehab program in Orange County, offering partners a chance to heal together in an upscale oceanfront setting.

ORANGE COUNTY, CA, UNITED STATES, June 5, 2025 /EINPresswire.com/ -- Oceans Luxury Rehab, a premier addiction treatment provider in Southern California, today announced the launch of its [innovative Luxury Couples Rehab program](#), designed specifically for partners seeking to overcome addiction together while strengthening their relationship.

Enjoy the luxury of a Rehab Center in Southern California

The groundbreaking program, located at their oceanfront facility in Orange County, represents a significant advancement in addiction treatment by addressing the unique challenges couples face when both partners struggle with substance abuse or when one partner's addiction affects the relationship dynamic.

“

Addiction doesn't just impact individuals, it transforms relationships”
Clint Kreider

"Addiction doesn't just impact individuals, it transforms relationships," said Clint Kreider, Clinical Director at Oceans Luxury Rehab. "Our new Luxury Couples Rehab

program recognizes that healing together can be more effective than healing apart. We've created a therapeutic environment where couples can address substance abuse issues while simultaneously rebuilding trust, improving communication, and developing healthy relationship patterns that support long-term recovery."

The comprehensive program features specialized couples therapy alongside individual

counseling, shared recovery experiences, and relationship-building activities. Couples reside in luxurious private suites while participating in evidence-based treatments tailored to their unique circumstances, whether both partners are struggling with addiction or one is supporting the other's recovery journey.

The program addresses common relationship challenges exacerbated by addiction, including strained communication, erosion of trust, financial instability, and increased conflict. Through personalized treatment plans, couples learn to identify underlying issues, develop effective communication strategies, and create healthy boundaries.

Oceans Luxury Rehab just steps away from the beach in Southern California

What sets Oceans' Luxury Couples Rehab in California apart is its holistic approach that combines clinical excellence with premium amenities. Couples enjoy opulent accommodations, gourmet dining, personalized concierge services, and a serene coastal environment conducive to healing and reconnection.

The program also features a robust aftercare component, including access to sober living communities where couples can continue their recovery journey together with ongoing therapy and support.

Oceans Luxury Rehab works with major insurance providers, including Aetna, Anthem, Cigna, and Geha, to make treatment accessible, with a dedicated team handling verification and minimizing out-of-pocket expenses.
