Building a legacy happens by design.

Years of dedication, perseverance, grit and a continuous commitment to leveling up are all components that game changers, difference makers and award-winning athletes have in common. Blue Sands Wealth and its founder Letitia Berbaum have proudly supported the USA Volleyball organization since 2018. Inspired by longtime friend Tayyiba Haneef-Park to join the USA Volleyball Audit, Finance and Budget Committee, Berbaum is passionate about providing her wealth building insights to help set the organization and its athletes up for success.

“Establishing smart and strategic financial habits early on can make a dynamic difference in an athletes wealth building trajectory,” Berbaum shared. Honoring all-time USA Volleyball greats on May 21st at the organization’s annual banquet, Berbaum was in the audience as San Diego Mojo head coach and USA Volleyball Olympian Tayyiba Haneef-Park accepted her award. A three-time Olympian, Haneef-Park helped lead the U.S. Women’s National Team to Olympic silver medals in 2008 and 2012. A collegiate star at Long Beach State, she guided her team to a 33-1 record and an NCAA runner-up finish in 2001. She ranks seventh on the school’s all-time kill list with 1,421. She competed for Team USA for over a decade, contributing to multiple podium finishes at the FIVB World Cup and World Grand Prix. In February, Haneef-Park was selected as an assistant coach for the women’s national team coaching staff. Now, Tayyiba Haneef-Park is looking to the future – specifically the 2028 Olympics - which will take place in Los Angeles, California, where she will be serving as one of the USA Volleyball Olympic coaches.

“Supporting USA Volleyball’s Audit, Finance and Budget Committee is a role I find immense

purpose in. Knowledge is power and by providing key insights to our committee and the athletes we serve, I believe we're shaping the financial health of the organization and the athletes who lead Team USA."– Letitia "Tish" Berbaum, Founder of Blue Sands Wealth
