Inc. (ABSI), a leader in providing exceptional care and support for neurodiverse individuals, is proud to announce its selection as a participant in Caredon Behavioral Health's Autism Provider Excellence Program. This recognition celebrates ABSI's nearly two decades of commitment to delivering high-quality [ABA therapy](#) services that improve the lives of individuals with autism and their families.

The Autism Provider Excellence Program, created by Caredon Behavioral Health, identifies and partners with standout organizations that have demonstrated

exceptional performance, adherence to evidence-based practices, and unparalleled dedication to enhancing outcomes for individuals with autism. ABSI's inclusion in this prestigious program underscores its steadfast commitment to setting and maintaining the highest standards in autism care. From its earliest days as an [ABA therapy center in Orange County](#), to a provider of autism services globally, its commitment to top tier care remains the same.

"This recognition from Caredon Behavioral Health affirms our mission to unlock the potential of every individual we support," said Andrew Patterson, President of Autism Behavior Services, Inc. "For nearly 20 years, we've worked tirelessly in every community we are in to provide customized, compassionate, and effective services to neurodiverse individuals. Being selected for this program only strengthens our resolve to continue raising the bar in autism services."

What Sets Autism Behavior Services, Inc. Apart:

Highly Trained Professionals: ABSI ensures that all behavior technicians receive comprehensive training, including certifications in applied behavior analysis techniques (ABAT or RBT) and CPR.
Inclusive Care for All Ages: From infancy to adulthood, ABSI is committed to supporting neurodiverse individuals through specially designed services, including Applied Behavior

Analysis (ABA), social skills groups, IEP consultations, and parent training programs.

Proven Outcomes: ABSI focuses on delivering measurable progress, empowering individuals with practical skills to thrive across multiple environments throughout their lives.

ABSI's participation in the Autism Provider Excellence Program is a testament to its unwavering commitment to providing top tier care, as we help individuals on the autism spectrum unlock their potential. By continuing to adhere to the highest standards and applying evidence-based practices, ABSI looks forward to making an even greater impact on the autism and healthcare communities.
