

# Medifirm Intelledge Global Launches AI-Powered Platform and Strategic Consulting Services for Pharma and Life Sciences

*Company combines advanced analytics, verified drug databases, and consulting expertise to support life sciences firms in navigating competitive global markets.*

GURUGRAM, HARYANA, INDIA, June 6, 2025 /EINPresswire.com/ -- Medifirm Intelledge Global Pvt. Ltd. announces the official launch of its flagship platform, <https://migpharmaintel.com>, alongside a suite of end-to-end services designed to transform decision-making in the pharmaceutical and life sciences industry. With a focus on AI-powered analytics, healthcare consulting, and global strategy, the company is poised to redefine pharmaceutical intelligence for the 21st century.

## □ Introducing MIG PharmaIntel Platform

At the core of Medifirm Intelledge's offerings is the MIG PharmaIntel Platform, an AI-driven environment for accessing real-time market insights, drug databases, predictive analytics, and advanced forecasting tools.

## Key Features Include:

Market Intelligence: Real-time competitive tracking and automated trend detection

Sales & Business Analytics: Performance metrics, revenue forecasting, and market penetration insights

Advanced AI Capabilities: Predictive modeling, statistical forecasting, and strategic planning support

Global Drugs Database: 156,847+ verified pharmaceutical records with clinical, regulatory, and market data—searchable, filterable, and exportable in real time

Whether driving clinical trials, launching a new drug, or evaluating international expansion, the platform equips pharma professionals, investors, and consultants with the clarity, speed, and precision needed for success.

## □ Comprehensive Services for Healthcare & Life Sciences

Alongside its platform, Medifirm Intelledge Global provides a full suite of consulting, research,

and AI/ML-powered services, tailored to global healthcare and pharmaceutical clients:
