experienced emergency dentists, the clinic is expanding access to fast and professional care for those in need of urgent pain relief — without long wait times or referrals.

Immediate Relief When It Matters Most

Dental emergencies rarely happen at convenient times. Whether it's a cracked tooth, an infection, or sudden swelling, patients often face hours - or even days - of waiting before they can get the treatment they need. Satnick Emergency Dentistry is working to change that.

"We understand how debilitating dental pain can be," said Dr. David Satnick, lead emergency dentist at Satnick Emergency Dentistry. "That's why we've streamlined our process to provide same-day emergency tooth extractions and ensure our patients receive immediate relief, 7 days a week."

Skilled Emergency Dentists Available On-Demand

At the core of Satnick Emergency Dentistry's services are experienced emergency dentists who

we've streamlined our process to provide same-day emergency tooth extractions and ensure our patients receive immediate relief, 7 days a week."

Dr. David Satnick

specialize in handling high-stress, high-pain dental situations. Whether it's an infected wisdom tooth, a knocked-out molar, or a tooth severely damaged by decay, the team is equipped to assess, diagnose, and treat patients quickly and safely.

All procedures are performed in a clean, modern facility using the latest diagnostic and surgical technology, including digital X-rays and advanced local anesthesia techniques to ensure patient comfort.

Serving the Ventura Community

Conveniently located in Ventura, CA, Satnick Emergency Dentistry serves patients from across Ventura County, including Oxnard, Camarillo, Santa Paula, and surrounding areas. The dental office accepts most major insurance plans and also offers flexible payment options for those without insurance coverage.

Same-day appointments are available for walk-ins and scheduled patients alike. The team encourages anyone suffering from acute dental pain or injury to contact the office immediately rather than waiting or visiting a crowded emergency room.

Common Emergency Conditions Treated:

- Severely decayed or broken teeth
- Dental abscesses and infections
- Knocked-out (avulsed) or loose teeth
- Swollen gums and facial swelling
- Cracked or fractured teeth
- Impacted or infected wisdom teeth

"If you're experiencing intense tooth pain, swelling, or suspect an infection, don't wait. Our emergency dentists are here to help you get back to feeling your best," Dr. Satnick added.

About Satnick Emergency Dentistry

Satnick Emergency Dentistry is Ventura's go-to destination for fast, reliable, and compassionate emergency dental care. With a focus on urgent pain relief and immediate extractions, the clinic combines state-of-the-art equipment with a patient-first approach. The team is dedicated to helping patients regain their comfort and oral health - without delay.
