driven leader in pre-employment screening and monitoring solutions, has been recognized as a High Performer for the first time in the prestigious Spring 2025 [G2 Grid® Report](#) for Background Check Software. This recognition, demonstrated by its 5-star [profile reviews](#), underscores InCheck’s commitment to exceptional service, robust compliance solutions, and an unrivaed candidate and client experience.

G2, the world’s largest and most trusted software marketplace, recognized InCheck based on outstanding customer feedback. InCheck's average review campaign score is 4.9 out of 5 stars. A company must receive 10 or

more reviews to be included in the report. These survey-backed results validate InCheck’s mission to deliver screening, combining leading-edge technology with a high-touch, relationship-first approach.

"Only about 10% of all vendors on G2 appear in our quarterly Market Reports," said Sydney Sloan, CMO of G2. "Congratulations to InCheck for earning a coveted spot in our reports this season, a recognition powered by the authentic reviews of their customers."

VALIDATION OF INCHECK VALUE PROPOSITION

“We are incredibly proud of this milestone and grateful to our clients for recognizing the difference our team makes every day,” said Jen Waite, Chief Operating Officer at InCheck. “Being named a 'High Performer' and 'Easiest to Do Business With' reflects our personalized, people-first approach. From flexible solutions to hands-on support and rapid response times, we work

hard to ensure the screening process is seamless, efficient, and transparent for both clients and candidates. We aim to make the onboarding experience less of a burden and more of a competitive advantage for every organization we serve.”
