

Aspen Ridge Memory Care Earns Deficiency-Free State Survey

Aspen Ridge Memory Care in Bend earned a deficiency-free state survey during an evaluation in June 2025.

BEND, OR, UNITED STATES, June 6, 2025 /EINPresswire.com/ -- [Aspen Ridge Memory Care](#) in Bend, Oregon earned a deficiency-free state survey during an evaluation in June 2025. This is the highest possible rating, showcasing the team's commitment to high-quality care and service.

Aspen Ridge has been managed by [Areté Living](#) since February 1, 2025.

The state survey is an on-site inspection conducted by the Department of Human Services based on state compliance guidelines. It examines resident quality of care and quality of life, dietary services, fire safety, and environmental services. The examination includes interviews with residents, residents' family members, and employees.

“

Every day, we strive to provide the highest level of care, dignity, and support for our residents and their families. This recognition affirms our unwavering commitment to excellence in memory care.”

Mariah Tennison, Executive Director of Aspen Ridge Memory Care

“Receiving a deficiency-free state survey is a true testament to the dedication and compassion of our entire team,” stated Mariah Tennison, Executive Director of Aspen Ridge Memory Care. “Every day, we strive to provide the highest level of care, dignity, and support for our residents and their families. This recognition affirms our unwavering commitment to excellence in memory care.”

This accomplishment reflects the coordinated efforts of the entire Aspen Ridge team, including nursing, life enrichment, culinary, maintenance, housekeeping, and more, all of whom play a critical role in creating a safe,

nurturing, and engaging environment for residents.
