KANSAS CITY, MO, UNITED STATES, June 10, 2025 /EINPresswire.com/ -- Rock Pest Control is excited to announce the first winner of its Summer Bed Bug Giveaway — Leslie K. of Kansas, who, along with his elderly mother Barbara, will receive a full bed bug [heat treatment](#) valued at \$1,700, completely free of charge.

This giveaway is part of Rock Pest Control's initiative to support Kansas City area families dealing with [bed bug infestations](#). Each month this summer—May, June, and July—one residential customer will be selected to receive a free professional bed bug treatment worth between \$1,500 and \$3,500.

Leslie had been dealing with a persistent bed bug problem for over six months, trying to manage the issue while caring for his mother. After his name was drawn in May's giveaway, he was relieved and excited to finally get professional help—at no cost.

“

Helping families like his is exactly why we launched this giveaway.”

A free inspection, earlier this month, confirmed the infestation. Rock Pest Control owner Matt Muller personally visited the home, gave hands-on preparation instructions, and scheduled a treatment date. The home is

now set to receive a full heat treatment, backed by a 90-day warranty.
