

Critter Stop Offers Permanent Solutions to Homes and Businesses with Launch of Pest Control in Richardson, Texas

Richardson, Texas – Critter Stop’s new pest control in Richardson provides targeted solutions to residential and commercial properties that are uniquely tailored to their specific needs. The DFW-based wildlife removal and pest control company has made a name for itself in North Texas for its commitment to customer satisfaction and transparent pricing for high-quality service. It’s no secret that life in Richardson can sometimes entail pest infestations in homes and businesses. Wasps, fleas, mosquitoes, spiders, cockroaches, and scorpions can be a considerable health threat to people and pets. Termites and ants can cause costly property damage, and silverfish, centipedes, and bedbugs are always unpleasant sights. These are precisely the insects that Critter Stop’s pest control in Richardson services target.

“Our clients trust us with their home or business, and we take that seriously,” stated Critter Stop owner Chisam Reiter. “We care about our neighbors, so we strive to be the best Richardson pest control company, going above and beyond when servicing properties with customized treatment for every situation,” he added.

Critter Stop’s pest control in Richardson approach ensures that clients can go about their daily activities while the company’s technicians employ the highest professional standard techniques to fully eliminate the infestation and provide permanent protection. In addition, the company also employs eco-friendly solutions that are safe for both people and pets.

Critter Stop stands out in the local pest control and wildlife removal industry. It has served hundreds of clients, has a five-star reputation, and glowing reviews from all over the Dallas-Fort Worth Metroplex.

This family-owned wildlife and pest control leader offers termite treatment, mosquito management, rodent exclusion, general pest control, wildlife removal, outside live trapping for skunks, opossums, and armadillos, mole and gopher removal, and dead-animal removal—all performed by licensed professionals.
