

Rising Artist Brandon-Nicole Unveils Uplifting New Single 'Love & Kindness'

PHOENIX, AZ, UNITED STATES, June 10, 2025 /EINPresswire.com/ -- Musical prodigy and multi-instrumentalist [Brandon-Nicole](#) is making waves again with the release of her inspiring new single, "Love & Kindness." Following the success of her debut single "Beachside" and her DRT #1 hit "Smokin," Brandon-Nicole proves once more that her artistry knows no bounds—both musically and in her mission to uplift others.

Currently pursuing a Ph.D. in Educational Leadership, Brandon-Nicole seamlessly merges her academic excellence with her artistic expression. She is a powerful example of purpose-driven talent, using her platform to serve communities from Atlanta, Georgia to Phoenix, Arizona through outreach, music education, and advocacy.

"Servitude is very important to me," says Brandon-Nicole. "If there is a need, and if you are capable, fill that need. I want to remind everyone who listens that love and kindness is the way to unite no matter how different we are... like my song says: it's a work of art that comes from the heart!"

"Love & Kindness" is a soulful blend of modern pop and heartfelt lyrics that aim to heal, connect, and inspire. With its uplifting message and infectious melody, the song serves as both a personal anthem and a call to action in a world that desperately needs compassion.

Fans and new listeners alike can stream "Love & Kindness" on all major platforms now. As Brandon-Nicole continues to rise as an artist and leader, her message remains clear: music can be a vehicle for change, and love is its most powerful instrument.
