

# FNP Launches 'Designed for Dad' Collection to Celebrate Father's Day with Thoughtful Gifting

*India's most loved gifting brand, has launched its exclusive 'Designed for Dad' Father's Day Gifts collection*

GURGAON , INDIA, June 9, 2025

/EINPresswire.com/ -- India's most loved gifting brand, has launched its exclusive 'Designed for Dad' [Father's Day Gifts collection](#) — a refined and thoughtful curation that celebrates the men who shaped our lives with their strength, wisdom, and quiet sacrifices. Built around the

insight that dads are often the most under-celebrated members of the family, the collection is an invitation to pause and appreciate the father figures who've always shown up. Whether it's a dad who taught you to ride a bike, a grandfather who shared life's gentlest lessons, or a mentor who stood by you when no one else did — the 'Designed for Dad' range offers a gift for each of them.

This year's Father's Day collection blends sophistication with sentiment, making it easier than ever to find the [perfect gift for Dad](#). From tastefully arranged flowers in earthy tones to value-for-money hampers featuring grooming essentials, artisanal coffees, premium snacks, and lifestyle accessories — each piece is chosen with today's discerning dads in mind. The line-up also includes personalised keepsakes such as custom-engraved frames, photo mugs, journals, and desktop accents that reflect both warmth and individuality. Special attention has also been given to cakes — from timeless classics like chocolate truffle to new-age flavours, each cake is crafted with care and attention. Several options can also be personalised with photos or messages, turning a sweet treat into a lasting memory.

"Fathers rarely ask for anything, but they deserve everything," said Avi Kumar, CMO, FNP. "Our 'Designed for Dad' collection is a simple yet heartfelt way to say thank you — with gifts that carry thought, value, and a whole lot of love." FNP continues to lead the way in elevating India's gifting culture. With nationwide coverage, seamless online ordering, and same-day delivery in over 100

cities, the brand ensures that every Father's Day surprise arrives on time and wrapped in style — no matter the distance. The 'Designed for Dad' collection is now live on [www.fnp.com](http://www.fnp.com), with early delivery slots open to ensure timely celebrations.
