*Prosperity Of Life to host an exclusive, all-expenses-paid leadership retreat in Mykonos for top-performing Global Leadership Council members.*

PHOENIX, AZ, UNITED STATES, June 9, 2025 /EINPresswire.com/ -- [Prosperity Of Life](https://www.einpresswire.com/Prosperity-Of-Life), a global leader in personal leadership and entrepreneurial education, has officially announced its upcoming Global Leadership Retreat, set to take place on the iconic island of Mykonos, Greece, from June 1–8, 2026.

This all-expenses-paid, invitation-only retreat is designed exclusively for members of the Prosperity Of Life [Global Leadership Council](#)—an elite group of independent distributors who exemplify leadership, training excellence, and outstanding business performance.

Set in a private 10-bedroom luxury villa featuring a private chef, chauffeur-driven service, and panoramic ocean views, the retreat promises maximum luxury and maximum privacy. The week-long event will blend strategic masterminding sessions with immersive lifestyle experiences, including island hopping by private yacht, sunset dinners, exclusive beach clubs, and high-end shopping unique to the streets of Mykonos.

“

This retreat isn't just a reward—it's where visionaries align, collaborate, and shape the future of Prosperity Of Life.”

The decision to host the retreat in Mykonos was inspired by the company's recent Influence Live Retreat, held

aboard a Mediterranean cruise. After a day stop on the island, the leadership team was so taken by Mykonos' charm and energy that it became the natural choice for this exclusive gathering.

“Our Global Leadership Council members are the backbone of our community,” said Rachel Krider, Head of Worldwide Marketing at Prosperity Of Life. “This retreat is both a celebration of their contributions and an opportunity to collectively shape the company’s vision moving forward—all while enjoying an extraordinary setting.”

The Global Leadership Council is composed of elected leaders who operate their own successful distributorships while also serving the greater growth of the company through mentorship, training, and business innovation.

The upcoming retreat also speaks to the growing number of individuals seeking real-world results in their entrepreneurial journey. For anyone looking for a transparent Prosperity Of Life review, the continued success and loyalty of its leadership community offers insight into the company’s long-standing reputation and values.
