ISSQUARED Launches 'ISSQUARED Connect' — A Unified Solution Portal for Seamless Service Delivery and Customer Engagement

ISSQUARED® Inc. announces the launch of ISSQUARED Connect, a single solution portal that integrates ISSQUARED products & services into a unified experience.

LOS ANGELES, CA, UNITED STATES, June 9, 2025 /EINPresswire.com/ -- ISSQUARED Inc. Launches "ISSQUARED Connect" — A Unified Solution Portal for Seamless Service Delivery and Customer Engagement

ISSQUARED® Inc., a leading provider of end-to-end IT solutions and managed services, proudly announces the launch of ISSQUARED Connect, a single, and personalized solution portal that integrates ISSQUARED products, managed services, customer training resources, and the ISSQUARED Marketplace into a unified experience.

ISSQUARED Connect is more than just a portal — it is a strategic leap toward how customers interact with ISSQUARED's portfolio of solutions. As businesses continue to demand efficiency, visibility, and centralized control, ISSQUARED Connect addresses this need by offering a secure, intuitive, and personalized platform that makes it a one-stop portal for all things ISSQUARED. "Our goal with ISSQUARED Connect is to simplify service delivery, enhance security, and improve operational efficiency for our customers," said Bala Ramaiah, CEO of ISSQUARED® Inc. "This unified solution portal is designed to empower organizations with real-time access to the tools and data processing they need, to succeed in this highly evolving and fast-paced digital world." "ISSQUARED Connect reflects our ongoing commitment to customer-centric innovation," added Bala. "It is not just a portal - it's a strategic move aimed at delivering greater value by bringing all of our offerings under one unified digital ecosystem.

Key Features of ISSQUARED Connect:
 Simplifies access to the ISSQUARED® products and services
 Enhances operational collaboration and service delivery
 Delivers seamless service experiences with intuitive interface
 Supports secure and scalable growth with the ISSQUARED offerings
 Streamlines procurement of the ISSQUARED® and partner software, hardware products, and licenses
 Offers on-demand customer training

What Customers Can Expect:

Personalized Experience

ISSQUARED Connect delivers a personalized experience by presenting only the services relevant to each customer's subscription. From managing support operations via Fabulix Service Manager (FSM), real-time IT infrastructure monitoring with StarWATCH, and automated certificate lifecycle management through PkeyFx, to robust data protection enabled by Fabulix Backup & DR—the platform consolidates essential capabilities into a single interface. It also supports comprehensive identity and access governance through ORSUS Lifecycle Manager (OLM) and External Identity Access and Governance (EIAG).

Further enhancing value, ISSQUARED Connect includes an on-demand training portal to support continuous learning and customer enablement, in combination with seamless access to the ISSQUARED Marketplace for streamlined procurement of the ISSQUARED® and partner software, hardware, and licenses.
