“Lincoln’s entrepreneurial spirit and strong sense of community align perfectly with Elevator’s mission,” said Emiliano Lerda, Co-Founder and CEO. “We’re excited to provide a space where small businesses can grow alongside each other in a supportive, central location.”

The Atrium location offers more than just convenience, it’s a space designed to inspire. With large windows, views of

downtown Lincoln, and an accessible rooftop deck for gatherings and events, the new Elevator

location will serve as both a professional workspace and a community hub.

“We’ve always believed that great spaces help build great businesses,” said Shannon Lerda, Co-Founder and President. “This location offers natural light, visibility, and access to everything downtown Lincoln has to offer. Elevator is conveniently positioned between the historic Haymarket and Telegraph districts, with easy access to UNL campus, the Capitol, and Memorial Stadium.”

The Lincoln site will include Elevator’s signature offerings: beautifully designed offices, flexible workspaces, collaborative common areas, meeting rooms, and an on-site logistics station for members who need light warehousing support.

Since launching in 2021, Elevator has supported more than 350 small businesses across the Midwest. With its Lincoln expansion, the company continues to create spaces where entrepreneurs can thrive together.

The Lincoln location is set to open in Fall 2025, and Elevator has opened a priority waitlist for those interested in securing exclusive founding member discounts.
