

Marry Me Marinara: New Organic Gourmet Pasta Sauce Delivers Flavor, Freshness and Health

Wilmington, NC – Marry Me Marinara is thrilled to announce the launch of its new gourmet pasta sauce that has been designed with a focus on flavor, freshness, and health for those who believe food should spark fireworks.

Filled with vine-ripened tomatoes and hand-harvested herbs, this concentrated and balanced blend of clean, real ingredients delivers a gluten-free, vegan marinara sauce that is ideal for those with sensitive stomachs, who want to eat clean or simply make their next pasta dish unforgettable.

“Marry Me Marinara Gourmet Pasta Sauce isn’t just another sauce on the shelf—it’s an invitation,” said a spokesperson for the brand. “Born from the bold marriage of vine-ripened tomatoes, select herbs, and a whisper of sass, our vibrant marinara brand redefines the art of seduction in a jar.”

Crafted for lovers, dreamers, and pasta purists alike, Marry Me Marinara Pasta Sauce isn’t just about taste—it’s about making memories that stick. The authentic recipe discards artificial flavors and cheap oils favored by other brands to offer a Gourmet Pasta Sauce that is USDA organic without synthetic pesticides or additives.

From offering the perfect thickness to coat pasta and envelop juicy meatballs to an indulgent dipping sauce or the perfect pizza base, Marry Me Marinara’s perfect blend ensures it’s the core of every meal. With no filler or chemical preservatives, the ingredient list delivers the mouth-watering balance of acidity and richness from:

Vine Ripened Plum Tomatoes

Fresh Onions

Fresh Carrots

Fresh Celery

Fresh Garlic

Tomato Paste

Extra Virgin Cold Pressed Olive Oil

Apple Juice

Salt, Pepper, Spices & Herbs

“This sauce matters if you care about ingredients but don’t want to cook from scratch every time. It’s for people who read labels. Who knows what real pasta sauce tastes like and expects nothing less? Who can tell when garlic has actually been sautéed instead of powdered in. If you skip on quality, you’ll end up with something bland or oddly sweet. That’s not what this is. This is clean, organic, real marinara made with intention. And it shows up on the plate,” furthered the

spokesperson.
