### Why GoHighLevel and Why Now

GoHighLevel consolidates the fragmentation of marketing tech into one system—eliminating the need for tools like Calendly, ClickFunnels, ActiveCampaign, and more. With multi-channel automation (email, SMS, voicemail drops, AI chatbots), phone and calendar integration, and membership/course building capabilities, the platform empowers users to capture, nurture, and convert leads—all from a single dashboard.

Key highlights include:

- White-labeling & SaaS Mode: Ideal for agencies wanting to resell the platform as their own
- Blueprint-powered snapshots: Quickly replicate funnel, workflow, and site setups across multiple accounts
- Proven scale: Powering over 537,000 live websites right now
- Phone system integration with call routing, recordings, and click-to-call support

### How to Access The Super Promo & Eligibility

The Summer Promo runs from June 9 to June 23, 2025.

Applies to monthly billing cycles, not annual plans.

To claim:

- New users: Start with the free trial → choose a plan and apply discount
- Existing users: Upgrade or renew any plan during the promo period

### Why Now?

Summer represents a key growth window for businesses, and HighLevel's goal is to empower users with access to our full platform without upfront cost barriers. And their Summer Promo's 50% discount, combined with 24/7 support, ensures both new and seasoned users can fully

harness the platform to boost campaign performance, client acquisition, and brand scalability.

### A Platform Built for Growth

Founded in 2018, GoHighLevel is a cloud-based technology provider for agencies, consultants, and marketers. With over 7.3 million monthly site visits and ranking among the top four digital marketing platforms in the U.S. the platform empowers users through:

- Unified toolset: CRM, sales funnels, AI, phone, calendars, and membership
- Unlimited usage: No caps on contacts, users, campaigns, or content
- Customization: White-label dashboards, third-party APIs, resellable tools
- Support & compliance: 24/7 in-app support, HIPAA options, and double opt-in tools for global use

### Subscriber Success Snapshot

- "This is the only software I use—it replaced six tools," said marketer Billy Gene
- Agency pro Debbie DuBois noted that GoHighLevel's white-label mobile app and automation tools "took my business to the next level"
- Social media strategist Andre Lane added, "The SaaS Mode paid for itself in under a month. We signed four clients through automated lead flows created in our first week."
