

# SDMC and Luxshare Launch Joint Lab to Advance AI Home Innovation

*SDMC and Luxshare today announced the signing of a strategic cooperation agreement and the official launch of their AI Home Ecosystem Joint Laboratory.*

SHENZHEN, CHINA, June 10, 2025 /EINPresswire.com/ -- [SDMC](#) and Luxshare today announced the signing of a strategic cooperation agreement and the official launch of their AI Home Ecosystem Construction Joint Laboratory. This milestone partnership marks a significant step toward accelerating innovation AI Home and enabling the large-scale deployment of AI Home solutions.

The joint lab will harness the combined technological expertise and resources of both companies to focus on the development of the Home AI agent, smart hub, and a broad range of intelligent devices. Through close collaboration, SDMC and Luxshare will promote scenario-driven design, interoperable multi-device coordination, and a full-stack AI Home ecosystem—from advanced algorithm development and hardware-software integration to end-to-end solution engineering and real-world validation.

This strategic alliance reinforces both companies' commitment to advancing the AI Home landscape. By joining forces, SDMC and Luxshare aim to deliver innovative, scalable solutions that enrich everyday life and bring smarter, more connected living experiences to families
