

# Areteem Institute Announces 2025 Math Summer Camps: Empowering the Next Generation of STEM Leaders

*Areteem Math Summer Camps are the way to supercharge your learning over the summer.*

LAKE FOREST, CA, UNITED STATES, June 11, 2025 /EINPresswire.com/ --

[Areteem Institute](#), a WASC-accredited educational organization renowned for its advanced STEM programs, proudly announces the launch of its 2025 [Math Summer Camps](#). Designed for motivated students from upper elementary to high school, these camps offer immersive experiences that aim to enhance problem-solving abilities and analytical thinking and prepare students for national math competitions.

Areteem Institute Summer Camp

Areteem Math Summer Camps are the way to supercharge your learning over the summer. All while having fun! Fill out the form to get started and learn how Areteem can help you succeed.

“

Areteem camps offer advanced elementary, middle, and high school students a fun way to strengthen problem-solving skills and learn higher-level math techniques.”

*Kelly Ren, Executive Director  
Areteem Institute*

Comprehensive Summer Programs Across the Nation and Online

The 2025 Math Summer Camps offerings include both residential and day camps at premier university campuses, as well as a flexible online program:

- Boston, MA (Boston University): June 22 – July 11
- San Diego, CA (UC San Diego): July 20 – August 8
- Dublin, CA (Axellent Academy): June 9 – June 19
- Online via Zoom: July 7 – August 1, with weekly focuses

on Algebra, Geometry, Counting & Probability, and Number Theory.

These programs are tailored to students aspiring to excel in competitions such as AMC 8/10/12, AIME, and USA(J)MO. Participants will engage in rigorous coursework, collaborative problem-solving, and enrichment activities designed to foster a deep understanding of mathematical concepts.

Transforming Education for a Global Community

### Flexible Enrollment

Areteem Institute offers various enrollment options to accommodate different needs:

- Residential Camps
- Day Camps
- Online Camps

Scholarships are offered to eligible students, including National MATHCOUNTS qualifiers and top performers in math competitions.

### About Areteem Institute

Founded in 2004, Areteem Institute is dedicated to providing in-depth and advanced math and science programs for students and educators. Its offerings include live online classes, self-paced courses, and intensive summer and winter camps. The institute's curricula meet and exceed Common Core State Standards and are designed to prepare students for success in academic pursuits and STEM careers.

### Enrollment Now Open

Applications for the 2025 Math Summer Camps are now being accepted. Interested students and parents can learn more and register at <https://programs.areteem.org/summer-camps-2025>.
