

# EXANTE and Teiko Host Exclusive Event on Real-World AI for Portfolio Performance

DUBAI, UNITED ARAB EMIRATES, June 10, 2025 /EINPresswire.com/ -- While most firms are still talking about AI, Teiko Asset Management is already using it to beat the market — and on 20 June, investors in Dubai will get an inside look at how.

In partnership with Teiko, global fintech EXANTE is hosting an exclusive, invitation-only event:

**"AI in Action: Enhancing Portfolio Returns"**

20 June 2025 | Capital Club Dubai

Exclusive EXANTE-Teiko Event

Designed for senior investment professionals, this closed-door breakfast will feature a real-time demo of Teiko's live AI trading system, offering a rare look under the hood of a strategy that's delivering alpha in today's markets.

“

This isn't a hypothetical or a pitch deck — it's a working, market-tested AI strategy that's delivering results now. We're offering access to something most investors only hear about second-hand.”

*Ashraf Bajair, EXANTE*

Manel Nogueron, Teiko's Founder and CIO, will walk attendees through the firm's journey from AI model development and backtesting to full deployment — concluding with a live performance demonstration of the system in action.

Host of the session, Ashraf Bajair, EXANTE's Head of Regional Sales (Middle East), remarked: “This isn't a hypothetical or a pitch deck — it's a working, market-tested AI strategy that's delivering results now. We're offering

access to something most investors only hear about second-hand.”

The agenda also includes a geo-economic briefing by Dr. Renée Friedman, EXANTE's Head of Research, examining the macro and regional forces reshaping investment strategy across the Middle East and beyond.

Tailored for asset managers, family offices, and institutional investors, this event provides not only insight but access — to cutting-edge tools, peer expertise, and the future of intelligent portfolio management.
