

Imagen Network (IMAGE) Ignites Global Reach With MEXC Exchange Listing

IMAGE Token Set to Trade June 11 With 100K USDT Airdrop+ Campaign

SINGAPORE, SINGAPORE, SINGAPORE, June 13, 2025 /EINPresswire.com/ -- [Imagen Network](#) is officially entering global markets with the \$IMAGE token's listing on MEXC. Trading will begin on June 11, 2025, with deposits already open and airdrop campaigns underway for early participants.

This launch positions Imagen to connect its AI-powered decentralized social ecosystem with one of the most liquid crypto exchanges. The \$IMAGE token unlocks access to curated content layers, decentralized feed systems, and monetization incentives across the platform.

To support onboarding, MEXC and Imagen are hosting a massive 100,000 USDT Airdrop+ campaign. This program is aimed at expanding awareness of the IMAGE token and rewarding early adopters for contributing to the next evolution in social networking.

About Imagen Network

Imagen Network delivers a decentralized social experience optimized by AI-driven personalization. Through smart feed curation, community control layers, and multichain access, Imagen enables truly adaptive and transparent interactions.
