

# ConfiTrek Forms Corporate Connection with Crotega Safety Solutions

MINNEAPOLIS, MN, UNITED STATES, June 10, 2025 /EINPresswire.com/ -- [ConfiTrek](#) and [Crotega Safety Solutions](#) have formed a strategic “Corporate Connection” channel partnership, combining their strengths to improve real-time situational awareness, training, and non-lethal threat response capabilities. This collaboration marks a significant step forward in safety technology and accountability, with ConfiTrek’s platform now enabling real-time tracking of REPULS® spray deployments.

Through this partnership, ConfiTrek will integrate Crotega’s innovative REPULS® system into its proprietary incident response and training platform. The integration allows organizations to instantly view REPULS® training records, streamline incident reporting, and maintain a comprehensive audit trail—all in a centralized dashboard.

This partnership represents a shared commitment to smarter, safer threat mitigation.”

“This partnership represents a shared commitment to smarter, safer threat mitigation,” said Mark Gaylord, CEO & Founder at ConfiTrek. “Our clients will now have the tools to track every deployment of REPULS®—improving compliance, enhancing training, and increasing overall accountability.”

The collaboration is designed to serve sectors with heightened safety needs, such as colleges, hospitals, and public safety organizations, providing a unified solution for training, oversight, and less-than-lethal force deployment. The ConfiTrek dashboard also supports post-incident review, policy compliance, and workforce decision-making.
