The fall marks the inaugural Rehab Graduate Fairs, and the fairs will take place every fall and spring. This initial fair circuit will connect programs with students in California, Washington, Oregon, Idaho, Florida, New York, and more. Exhibitor registration is now open for all PT, AT, and OT programs, and space is limited on a first-come-first-served basis.

"We are so excited to announce the Rehab Graduate Fairs," says Amber Hall, Co-founder and Director of Event Planning. "There's absolutely a need for a recruitment fair for PT, AT, and OT students. They usually get lost in the shuffle of medical fairs, so we cannot wait to help with these fairs."
