

LAUNCHER.SOLUTIONS Collaborates with Wolters Kluwer to Enhance Document Compliance in Loan Origination

JACKSONVILLE, FL, UNITED STATES, June 12, 2025 /EINPresswire.com/ -- LAUNCHER.SOLUTIONS (Launcher), a technology provider specializing in automotive loan originations, announced today a strategic product integration with Wolters Kluwer, a global leader in regulatory compliance solutions. This collaboration enables lenders using Launcher's appTRAKER Loan Origination

System with Wolters Kluwer's Lending Electronic Module (E-Forms), to simplify their documentation processes and ensure compliance with all regulatory requirements.

“

Our collaboration with Wolters Kluwer strengthens our commitment to providing lenders with best-in-class compliance solutions.”

Launcher's appTRAKER Loan Origination System was designed by experts in the lending industry with workflow efficiencies and data integrations built into its core. With Wolters Kluwer's library of electronic loan documents incorporated into the appTRAKER platform, lenders can seamlessly manage regulatory requirements, mitigate risk, and enhance the accuracy of consumer direct loan

documentation, ensuring adherence to ever-evolving industry regulations.

“Our collaboration with Wolters Kluwer strengthens our commitment to providing lenders with best-in-class compliance solutions,” said Nikh Nath, President of Launcher. “By integrating Wolters Kluwer's consumer loan documents with appTRAKER LOS, we are enabling lenders to generate and manage loan documents with greater accuracy and confidence, ensuring compliance at every step of the process.”

“This collaboration gives Launcher Solutions' customers access to the loan documents they need to facilitate the lending process at all stages: application, processing, closing, and post-closing,” said Shreya Shankar, Vice President, Partnerships, Wolters Kluwer Financial & Corporate Compliance. “Together, we are providing them with a comprehensive solution that combines proven loan origination technology and a library of electronic loan documents to drive operational efficiency and enhance their ability to meet regulatory requirements effectively.”

Overall, the product integration between Wolters Kluwer and Launcher Solutions offers a comprehensive solution that combines workflow efficiencies, data integrations, and ongoing

regulatory compliance tools, providing banks and lenders with a powerful platform to optimize their lending processes and ensure compliance in an increasingly complex regulatory environment.
