From Navy to Courtroom: A Mission to Protect the Accused

Every great defender has a story that shaped their path. For Stephen Bowling, that moment came unexpectedly during his service as a military police officer. Following his Navy tenure, Stephen served as a military police officer. During that time, when he was nearing the end of his three-year assignment, Stephen found himself arrested. After graduating from law school, Stephen was admitted to practice in Texas, where he has fiercely fought for his clients' rights on a range of criminal and DUI charges. Drawing on his experience as a police officer and legal expertise, he understands the intricacies of criminal
