LONDON, GREATER LONDON, UNITED
KINGDOM, June 13, 2025

/EINPresswire.com/ -- According to The
Business Research Company's market
report, the lightweight motorcycle

helmet industry has witnessed robust growth in the past few years, and it is expected to continue along this trend. The global market size is expected to rise from \$1.46 billion in 2024 to \$1.56 billion in 2025, growing at a compound annual growth rate of 6.9%. This substantial growth can be primarily attributed to increased rider safety awareness, a burgeoning urban commuter

population, a rise in motorcycle adoption rates, a steady increase in e-commerce helmet sales, and a soaring demand for comfortable helmets.
