

Nobody Move by Robert Esposito Wins 2025 International Book Award

Esposito's First Book Wins in the Business: Real Estate Category

HAUPPAUGE, NY, UNITED STATES, June 23, 2025 /EINPresswire.com/ -- Robert [Esposito](#)'s groundbreaking book, [Nobody Move \(Without Reading This\)](#), has been recognized as the winner in the Business: Real Estate category at the [2025 International Book Awards](#). The program is one of the world's largest awards programs for mainstream, indie, and self-published titles. Nobody Move (Without Reading This) was published in January 2025 by Red Penguin Books and offers a fresh and insightful perspective on one of life's most challenging and stressful transitions—moving.

A step above moving guides and tip books, Nobody Move goes beyond logistics, offering a comprehensive approach to the emotional, mental, and practical challenges of major transitions. The book has received tremendous feedback from readers who never realized how stressful moving could be until faced with it themselves. Esposito wrote Nobody Move to help people overcome the uncertainty, planning difficulties, and emotional hurdles that come with relocating or helping others downsize or transition.

"Nobody Move is more than just about moving—it's about navigating life's greatest transitions," said Esposito. "Since its release, we've seen an incredible response from readers who have struggled with the stress of moving. In today's tight housing market, with rising costs and higher interest rates, this book serves as an invaluable guide for anyone facing a transition. Real estate professionals, lawyers, mortgage brokers and banking professionals will also learn from the book's its insights and this will allow them to better assist their clients through this difficult period."

The 2025 International Book Awards celebrate excellence in publishing across diverse categories.

Esposito's book earned the top honor in the highly competitive Business: Real Estate category, standing out among entries from many prestigious publishers, affirming its significance and practical impact on both individuals and industry professionals.
