

## 2025 Phoenix Titan 100 Recipients

PHOENIX, AZ, UNITED STATES, June 19, 2025 /EINPresswire.com/ -- Titan CEO is pleased to announce the 2025 Phoenix Titan 100. The Titan 100 program recognizes Phoenix's Top 100 CEOs & C-level executives. They are the area's most accomplished business leaders in their industry, using criteria that include demonstrating exceptional [leadership](#), [vision](#), and passion. Collectively, the 2025 Phoenix Titan 100 and their companies employ over 349,000 individuals and generate over \$43 billion in annual revenues. This year's honorees will be published in a limited-edition Titan 100 book and profiled exclusively online. They will be

honored at the annual awards ceremony on September 25th, 2025, and will be given the opportunity to interact and connect multiple times throughout the year with their fellow Titans.

"Phoenix's Titan 100 are redefining business with vision and purpose, setting new standards for growth, innovation, and impact. These trailblazing leaders inspire transformation across industries, uplift communities, and drive meaningful change. We proudly celebrate their legacy of excellence and unwavering commitment to shaping a brighter future for all," says Jaime Zawmon, President of Titan CEO.

This year's Titan 100 embody the true diversity of Phoenix's business landscape. Representing construction, marketing & advertising, financial services, food & beverages, information technology & services, and non-profit sectors, among others.

The annual Titan 100 awards celebration on September 25th, 2025, will be held at the Chateau Luxe Event Venue. Chateau Luxe is Arizona's most luxurious and nationally recognized event destination, boasting spacious indoor & outdoor spaces for events of all sizes. This elegant, cocktail-style awards event will unite 100 Titans of Industry for an unforgettable evening of celebration, camaraderie, and networking—an evening unlike anything that exists in the Phoenix business community.

In addition to celebrating 100 Titans of Industry, Titan CEO will be recognizing the Titan 100 Hall of Fame. This prestigious honor has been awarded to only ten Titan 100 honorees as part of this special commemoration.

Titan award recipients are eligible to make the Titan 100 list up to three years, with each year getting progressively more difficult. To make it to the Hall of Fame, Titans must complete on-camera interviews and answer a series of questions where they do not know what will be asked in front of a live judging committee.

The Titan 100 Hall of Fame are a class of elite executives that have consistently shown over the past three years their ability to demonstrate the characteristics of a Titan who is a pillar of our community.
