Beaches: Nothing says summer quite like a day at the beach, and with nearly 200 miles of coastline it's no wonder

Riviera Nayarit is one of the most popular coastal destinations in Mexico. The ribbon of golden, sandy beaches that lay beneath the Sierra Madre mountains is peppered with more than two dozen beach towns all along the coast of Riviera Nayarit. The beaches here offer a paradise for sun-seekers and adventurers alike, with groves of swaying palm trees and powerful Pacific waves. From the lively beach towns of Sayulita and San Pancho to the secluded coves of Punta Mita, and the remote, wildlife-rich estuaries of Rincon de Guayabitos, San Blas, and beyond, Nayarit's beaches cater to every preference.

Beyond the shores, visitors to the beaches of Nayarit can explore vibrant marine life through snorkeling or diving adventures. Diving is best in Nayarit during the summer months when water temperatures and visibility are at their peak.
